**ORDER**

Before the court is the government's motion to detain material witness Enrique Gonzalez-Perez pending trial, pursuant to the Bail Reform Act, 18 U.S.C. §3142 and 3144. On July 19, 2005, I held a detention hearing. The parties stipulated to the factual contents of the report of Pretrial Services Officer Susan Pinkerton. Based on the facts in that report, I find by the preponderance of the evidence that Mr. Gonzalez-Perez poses a serious risk of flight and that no condition or combination of conditions of release will reasonably assure his appearance in court as required. Specifically, I find that Mr. Gonzalez-Perez is an illegal alien whose presence in court as a material witness is unlikely to be secured by a subpoena.

It is therefore

ORDERED that Mr. Gonzalez-Perez be committed to the custody of the Attorney General or his authorized representative pending trial. It is further

ORDERED that Mr. Gonzalez-Perez be confined in a corrections facility separate, to the extent practicable, from persons awaiting or serving sentences or being held in custody pending appeal. It is further

ORDERED that the Attorney General or his authorized representative ensure that Mr. Gonzalez-Perez is afforded reasonable opportunity for private consultation with his counsel. It is further

ORDERED that, on order of a court in the Western District of Missouri, the person in charge of the facility where defendant is confined deliver Mr. Gonzalez-Perez to a United States Marshal for his appearance in connection with a court proceeding.
